## Multi-gun Shoot Fun Shoots 2016

April 3, June 12, August 7

Multi-Gun matches challenge shooters to utilize three different types of guns (semi-auto rifle, semi-auto pistol, and a pump or semi-auto shotgun) in a controlled course of fire that simulates all sorts of different shooting scenarios. Shooting positions vary from standing, sitting, kneeling, or prone, and even moving/walking while shooting or running between shooting positions. Targets can be stationary or moving and either cardboard, steel plates or clay pigeons.
