

A DAY OF FUN W/YOUR HANDGUNS

Match name: Steel Plate Shoot hosted by Hamburg Rifle & Pistol Club

Directions: Go west on I-78 6 miles from Hamburg

Take exit 23 Shartlesville

At stop sign turn right North on Mountain Road follow .3ths mile, then .4th mile left on Forge Dam Rd.

Entrance is on the right.

GPS: N 40 31.379' W 76 06.642'

Schedule: 4th Saturday from March through September. Signup starts at 9:30am. Match starts at 10:00am.

Cost: \$15 first gun, additional guns \$10 each.

Firearms used: Virtually all rim & center-fire handguns

Usual number of rounds needed: At least 125 rounds, if you never miss. [I'd bring more.]

Targets: All steel.

Format: All-steel match run according to [Steel Challenge Shooting Association](#) rules. With a few exceptions, courses of fire consist of 5 non-reactive steel plates, one of which is a designated stop plate. Each shooter will shoot each stage 5 times, with the best 4 runs counting for score. Missed plates or late shots incur a 5 second penalty each. The match will generally consist of 5 such stages. Since there is no steel to reset, stages run quickly with squads simply needing to put fresh paint on the targets between shooters (and pick up brass if desired).

Prizes: Bragging rights for the month.
